

How to book a facial/class for your Power Start:

Hi Susan, this is Marni Hendricks, do you have a minute?
Great! The reason I'm calling is because I have a huge favor to ask you! I am super excited because I just started my Mary Kay business and I have a challenge from my Director to do 30 faces/makeovers in 30 days and I would absolutely LOVE to borrow your face have you as one of my models! Is that something you think you could help me out with? If you know of any friends that would have fun in joining in the pampering tell them to come also...the more the merrier!
